Amendments to the Specification:

Please replace paragraph [0028] with the following amended paragraph which adds a period after the final sentence:

[0028] For cost consideration, LPC upstream and downstream transmission modes, other than a peer-to-peer mode, are adopted by the flash memory and peripheral manufacturers. For allowing maintenance from a remote terminal on condition that LPC upstream and downstream transmission is adopted, a peripheral management system is contemplated according to the present invention. An embodiment will be illustrated hereinafter with reference to Fig. 2A and 2B.
